

Give yourself the 'thin' edge

... with Ever-Flex products

Ever-Flex™ has developed a revolutionary orthotic material which is available in a choice of Ever-Flex™ (EF) or Carbon-Flex™ (CF). Ever-Flex™ orthotic materials are unconditionally guaranteed for life against breakage and memory loss. No weight restrictions. Your complete satisfaction is our primary goal.

Sheet stock (16"x48"), plate stock (4"x8" & 5"x9") as well as pre-fabricated shells (Women's size 4 up to Men's size 13) are available in both materials in 1mm, 2mm and 3mm thickness.
