Mission Statement

Health Design is committed to providing each and every foot care provider the highest quality, most affordable medical / surgical footwear available. It is our goal to continually add unique styles of both functional, as well as fashionable footwear that will assist you in providing your patient with the highest quality. In addition to our commitment to quality products, our utmost goal is to provide our customer partners with the best customer service, deliveries, administrative and sales assistance.

Minimum Order

There is a minimum order requirement of \$50.00.

Credit Terms & Conditions

Net 30 days upon approval of a completed credit application. Prices are subject to change without notice. Accounts past 60 days are subject to credit hold status.

International Terms & Conditions

New international customers must prepay for the first six months via wire transfer, credit card or letter of credit. Following the initial six month period credit can be established based on past purchase history and completion of our credit application.

Credit Cards

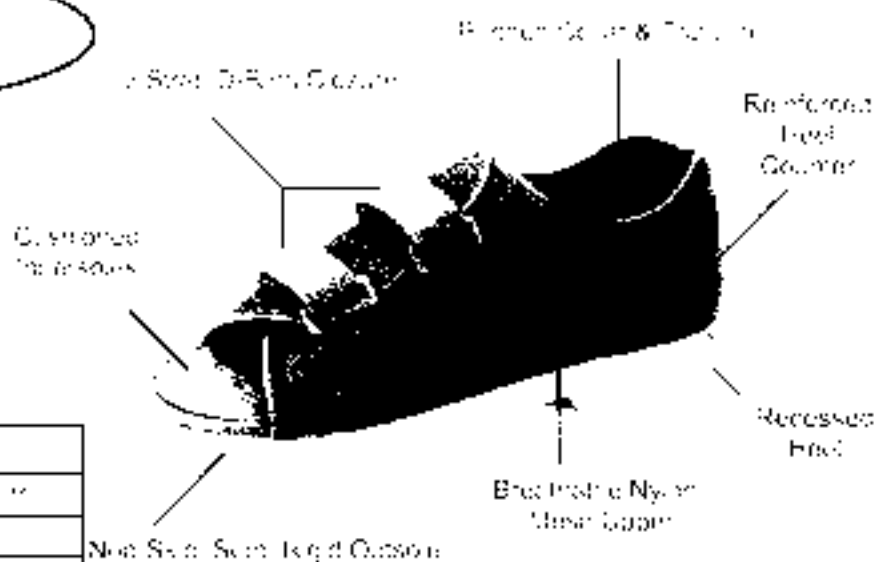

Discover, Visa, MasterCard, and American Express orders are welcome.

Returns & Discrepancies

In the event of an ordering/shipping error discrepancies must be reported within 5 days of receipt of product. All returns require a Return Merchandise Authorization number (RMA). Products must be in the original packaging and in new/original condition. Restocking fees may apply. (Any product requiring repackaging will be subject to a minimum 25% restocking/repackaging fee.)
